Subject: NEW ORDER

Chris

Please raise a new order for SGN Finland Acc 075675 for 50 x D3131H5011A - Chris please ship on 3 day service our cost
Tracey please produce these tomorrow and get the correct bodies from china as soon as possible so we can supply D3131H5011A

Katri - We cannot get the parts for the D3131H5012A which is the one the customer requires - We have to get some parts from China which are being progressed there seems to be confusion as the only difference is the port direction. This is now clarified and hopefully parts will be here in the next 2/3 weeks. I have arranged the above order as an interim measure.

Please accept my apologies for this embarrassing episode and if the customer wishes to 'shout' at someone refer them to me.

Our service will get better

Regards,
Jerry Munday
